Due to enrolled children's life threatening Anaphylactic allergic reaction to all nuts and peanut products, we would like to encourage families not to send these products to school with their children. These include peanut butter, nutella, sesame seeds, loose nuts, muesli, nut or chocolate bars or any products containing any type of nuts.

Principal's Report Week 6 Term 1

Outstanding Fete Success
I extend a huge thank you to the thousands of people from Edgeworth Public School community, including students, staff and parents who attended our school fete on Saturday. It was an outstanding success, accredited to a highly passionate committee who spent an enormous amount of time and effort organising the event, an extremely dedicated staff who planned class stalls and supported the P&C in running the various stalls, and a big-hearted contingency of helpers from the P&C and community who worked tirelessly to assist in any way they could.

I am extremely appreciative of the generosity of the local businesses who supported us including our major sponsors: Pizza Hut, Timezone, First National Real Estate, Flip Out, B.H. Concreting, Bakers Delight, Cameron Park Community OOSH, Edgeworth Dental, Ben Collier Plumbing, Event Cinemas, Edgey Specs, Kennards Hire, and the store-holders whose attendance ensured a wide variety of goods were available for the many visitors to purchase. A special thank you to Sarah Gray, Executive Officer, Hunter Life Education who allowed heavy vehicle access through their property to ensure the rides could be held on the day and a visit from Healthy Harold.

All proceeds from the day will be used for upgrading to the school sport fields. Final figures will be announced in the next newsletter, it is estimated to be approximately $13,000.

3 Way Interviews
Parent-teacher-student interviews are scheduled for Tuesday 15 March. The process is conducted as part of our reporting process to provide feedback, set goals and offer strategies to support each student. Parents are encouraged to bring their child as their input into their learning is extremely valuable. Bookings can be made through www.schoolinterviews.com.au and entering the event code wre8n. Please contact your child’s class teacher if you are unable to book on-line and an appointment can be scheduled for you.

Principal
Deputy Principal Report
I am constantly reminded about how wonderful the Edgeworth learning community of students, parents and staff is through events like the amazing Fete on Saturday. It was an absolute tribute to the hard working team (driven by Trudy Drinkwater and Brendan Gray) who have worked tirelessly since last year to ensure the Fete was a huge success. It was a truly wonderful day, with so many people from the community participating, enjoying the beautiful weather, and having a lovely time exploring all the fete had to offer.
My special thanks to the huge band of volunteers who worked so well together to create such a memorable day. Well done, Edgeworth!

Bike Safety
If your child rides their bike to school, please have regular conversations about bike safety – including following rules, always wearing a helmet and regular checks of bike safety and maintenance. We constantly give reminders at school about the importance of being safe on bikes.

Road Safety
There are some genuine concerns with the drop off zones on Oakville Road. Please ensure when you are accessing these zones that children are safe at all times.

Ronowldo Day
Ronowldo Reward Day is this Friday. We are looking forward to celebrating with students as they access their rewards for Respect, Responsibility and Learning.

125th SCHOOL ANNIVERSARY NEWS
Thank you to all those who stopped by our anniversary stall at the fete on the weekend. It was wonderful to catch up with so many ex-students and their parents as well as offspring and to see how much pleasure they had when looking back over a small selection of photographs and other memorabilia we had on display.
Now is the time to start thinking about asking former school students and their families to come along to our community Open Day on May 14 from 10.00am to 2.00pm. There will be a much bigger memorabilia display with all our old school albums, school excursions, books made by pupils, the contents of Mrs Knight’s time capsule, videos and powerpoint programs in the library. For those who haven’t had a chance to see how the school buildings have changed there will be guided tours of the school on the hour, lots of souvenirs to buy as well as BBQ lunches and Devonshire teas and coffees. In the evening we will be hosting an anniversary dinner at Club Macquarie with former students as guest speakers. Some students are already planning tables of fellow students from their years. Bookings for the $60 per head 3-course meal can be made at any time from now until a week before the dinner by contacting the office. EFTPOS is available for payment.

Don’t forget to immortalise your family with a $30 commemorative paver. This project will be ongoing but it would be nice to actually have enough pavers sold so that we can get our first order in before the Open Day. And last but not least presales of the school’s updated history have begun. This book will hopefully be published ready to be launched on May 13 at the whole school assembly when the students and teachers are all asked to come in fashions of the past. Old-fashioned games and family picnics with rugs, sandwiches and even a lemonade stand will be the order of the day.

We are required to seek permission to publish photographs of any children and staff members in Youngy Then and Now – 25 Years On who can be identified. This is turning into a mammoth task. At last count we have to locate 400 previous students and have them sign a permission note. Can I ask members of the school community to help out by contacting anyone they know who was in the 1985 Senior Softball team, Mr Williams’ 1981 Umbro Shield Knock out Soccer team, the 1989 Sr Cricket team, 2010 Sr Knights Knockout with coach Dave Gibb, Mrs Crooks’ Infants Choir 1991, Mrs McLeod’s 1991 Choir, Mrs Mitchell’s 1985 Recorder group, members of the 2014 Star Struck dance group (Mickey and Minnie) and Edgeworth Jumping Beans who went to the 2007 Just for the Record Star Struck performance and ask them to fill in the form attached to this newsletter or to contact Mrs Mitchell on elizabeth.jayne.mitchell@det.nsw.edu.au please? The sooner we can account for everyone, the sooner our book can be published.

Mrs Mitchell
PERMISSION TO PUBLISH

Dear ______________________,

As part of our celebrations to commemorate Edgeworth Public School’s 125th Anniversary our original school centenary book has been republished with additional chapters added, covering the last twenty-five years. We would like to take this opportunity to thank everyone for their donations to our lucky dips and also to the parents who volunteered their time to work on our stage stall on the day. Your support and assistance is much appreciated.

Assembly Performance
Congratulations to our ES1 students on an amazing performance at our whole school assembly last Friday. Their singing of the ‘Respect song’ was absolutely beautiful and we were all very proud of their efforts in learning and practicing the song in the lead up to the assembly. Well Done!

Helpful parent tips for Home Reading
We will officially start Home Reading in Term 2 where students bring home a reader each night and independently read to you at home. But it is a great idea if you are already doing some reading to your child at home or if they are reading to you. Here are some helpful tips for when your child is reading to you:

Pause: Wait 5 seconds before intervening to allow the child a chance to solve the problem independently.
Prompt: Give a hint to encourage a response. Ideally these hints should start by focusing on the story as a whole, before moving to the word or letter level.
How would mum say it so Sam could hear her?
Can you see something in the picture that might help?
What might happen next?
Praise: Praise should be specific. The child should know what they have done that has been pleasing.
Praise for reading a sentence well
Praise for correcting a mistake
Praise for correcting after a prompt
Happy Reading!

A big thank you to all stage one parents who donated items and/or volunteered their time to help on our stall. You helped make the fete a success. It was great to see so many of you there supporting our school.
Just a reminder that book pack money is now due. We ask that any outstanding book pack money be paid as soon as possible.

Upcoming Events
Our annual Easter Hat Parade for students in Preschool - Year 2 will be held on Wednesday 23 March. Students in Years 1 to 2 are asked to make their hats at home for the big parade. A note will be sent home next week with more information.
EPS Fete – THANK YOU!
Thank you to all of the Stage 2 students and families who attended our fete on Saturday. We very much appreciated your support!

Thank you to the families who have paid for their students book packs. If you haven’t yet, can you please do so soon. If you require financial assistance, please contact the school.

Book and Paver Orders
Unfortunately the Youngy Then and Now – 25 Years On price was advertised wrongly in the last newsletter. It costs $26, not $20 as stated on the order form. A new form will be attached to this newsletter with the correct price. My apologies for any inconvenience this may have caused.

The paver orders have no closing date. These can be ordered at any time during the year and hopefully we can continue to record our families’ connections to the school in years to come – a perpetual commemoration. Order forms can be found on the school website under OUR SCHOOL tab, 125th Anniversary.

Thank you for a wonderful Fete.
For the past 5 months there have been a team of parents and teachers that have been working hard to organise
the Fete that we were all able to enjoy on the weekend.
As part of this team, there was no better reward then to see the whole community backing our efforts and coming
along to support the school on the day. To everyone that came along on Saturday, we thank you. We also saw
many people from the extended community attend. Please extend this thanks to your friends and family that came
along who are not directly involved with the school.
I would like add a special acknowledgment to the teaching staff, without their committed efforts our Fete would
not have been possible. Not only where they teach our children during the day, but turned around in the evenings
to organising many crucial components of the Fete.
There was of cause a the small but very dedicated team of P&C members that contributed enormously to the or-
ganisation of the day, as they always do at every event. We have now seen what this amazing force of Parents and
Teachers can achieve. I encourage you, get involved for next time, please come along to our AGM on March 21st.

Online Ordering
All old classes were deleted from the system early last month. However we still have a few families who are using
last years class, could you please check and amend this through your own personal online account.

Roster
We have one Thursday and a couple of Fridays that still need assistance. If you are able to help could you please
contact the school or call in or text Jen 0423 654 566.

Thank you.

My name is Jo and this is my 18th year of being a member of our school P and C. I joined the P and C when my first child was
in pre-school, as I wanted to meet new people, find out who school teachers were and learn how my child’s school operated.

Over the past 17 years our P and C has fundraised thousands of dollars for our school and a few examples of where the mon-
ey has been spent are:

- classrooms to have air conditioning
- numerous class Smart boards
- library books
- library furniture
- shade sail
- home reading books
- class sound stations
- contributed to end of year awards every year
- and also helped the Easter Bunny with a gift for all infant students on Easter Hat parade day,
- and we also provide a Mothers and Father’s Day stall each year.

We are currently working towards raising funds for the major upgrade to the sporting field in Area 7.

We have a number of parents that will be leaving the P and C over the next 3 years as their last child leaves for high school.
This will almost dissolve the schools P and C, unless we get new members, which will in turn halt
major fundraising for our children.
Please consider coming along to see how we run. There is no need to take on a position and you can be involved as little or
as much as you like. We meet on the 3rd Monday of each month at 6.30 and our next meeting is on the 21st March, which is
our AGM.
